ABOUT THE FIRETECH FORD SUPERDUTY GRILLE

Purpose built for the front of your Firetruck or Ambulance, the FireTech LED Grille kits are the perfect solution when looking for an upgrade to the factory headlights without altering the DOT compliance on the fixtures.

The FireTech LED Grilles are designed with 4x Federal Signal FireRay 7x4 warning lights and 4 Vision X / HiViz LEDs "FIRETECH" CG2 Offroad Light Canons. Two canons sport a single highly focused LED for long distance projection, while the other two multi-optic canons project light in a wide spot beam to fill in the foreground. These fixtures are a bolt-on solution giving maximum visibility to the front of your fire or other emergency vehicle.

Key Features:

- OEM location mounting uses factory installed mounts
- Durable laser-cut stainless steel design
- 2 Single-LED long distance light canons
- 2 Multi-LED wide spot light canons
- 4 Federal Signal "Fire Ray" warning lights
